

Instrument Selection Information

Saturday, March 30, 2019

The first step in your experience as a Canyon Vista Band family member will be Instrument Selection Saturday. Students and parents will come to the Canyon Vista Middle School gym at their designated time to try out all of our 11 different instrument options that we offer beginning band students. It is our goal for every student to have a successful, rewarding experience in band and part of that comes from getting each child on the right instrument. Your family will learn about each instrument and work with one of our staff members who will guide your child through making an initial sound on every instrument. When your child is finished trying out instruments, your family will meet with Mrs. Parsons to make the final decision on which instrument fits your child the most, learn about purchasing or renting an instrument, get your band supply list, and receive other important information.

Each family should plan on the instrument selection process taking 1-2 hours.

Times for each school are listed below. These time frames are spread out to keep the lines shorter throughout the day. If you have a conflict and need to come at a different time, you may arrive whenever it is most convenient. Lines are usually shortest at the end of the day. We will be closed from 12:00-1:00 for our staff to eat lunch.

Laurel Mountain 8:30am - 10:30am

Kathy Caraway 1:00pm - 2:30pm

Spicewood & Jollyville 2:30pm - 4:00pm
